

Stocktrail Elementary teachers would like to apply for the Century Link Grant. Following are the items they are asking for:

F. Berbel (DLI - K) - green screen project of "Hola Caracola" to utilize green screen technology where students use oral language and create video/presentations/news-like announcements of information that is being learned.

C. Newton (3rd) - School Pace on-line interactive reading tracking from American Reading Company

J. Phillips (DLI - K) - HUE Stop Animation kits (like claymation) with maker's carts to enhance writing/storytelling in the classroom.

D. Newell (6th) - Breakout Edu Kits for online learning platforms that are customizable for students and by subject areas that require students to use critical thinking, collaboration, creativity, and communication skills.

E. Seneff (5th) - Chromebooks for classroom use
