Director  
**Lisa M. Osvold**  
Deputy Director

Fiscal Year 2017

Dear Applicant,

Thank you for your interest in the Workplace Safety Contract Program. Applications will be reviewed on a quarterly basis. The review schedule is as follows:

- 1<sup>st</sup> Quarter applications will be reviewed the first week of April;
- 2<sup>nd</sup> Quarter applications will be reviewed the first week of July;
- 3<sup>rd</sup> Quarter applications will be reviewed the first week of October;
- 4<sup>th</sup> Quarter applications will be reviewed the first week of January.

Employers are eligible for up to \$10,000 per fiscal year; July 1 – June 30. If an application is approved, the contract must be signed prior to July 1 for the current funding cycle. Incomplete applications may be returned or denied. Please provide all requested documentation listed at the end of the application.

Employers must be current on payments to Workers' Compensation and/or Unemployment Insurance for the application to be considered.

Upon approval, the employer will be required to provide reporting as designated in the contract. If the employer chooses to not report, the funding shall be returned to Workers' Compensation.

The Workplace Safety Contracts program will cover equipment or training related to safety only. No health equipment will be considered; other than hearing conservation, respiratory programs, and eye protection which exceeds OSHA requirements.

Sincerely,

Risk Management

**EQUIPMENT INFORMATION** (Please complete for each unique piece of equipment)

**Equipment Name:** Meyer V-Box Insert Spreader

**Equipment Model:** 63795, stainless steel, 11 HP Honda Engine

**Equipment Description:** Equipment is mounted to the back of the snow removal vehicle. While the snow is being plowed, the salt is being spread.

**Equipment Manufacturer:** Meyer

**In what way would this equipment affect safety within your company? Please explain.**

This equipment would be used at the back of a truck to spread salt through our parking lots at our school and office buildings. Our most frequent claims are slips, trips and falls on ice during the winter months. This piece of equipment could help reduce these incidents by providing a safer environment for our employees to walk to and from their work area.

**What equipment or process is currently in place to ensure employee safety?**

We currently have salt spreaders being used across our school district, however we need additional and more reliable units to reach all 26 buildings in our school district in a short period of time. More units would allow more snow shovel vehicles with salt spreaders to allow for a broader coverage area.

**How does the requested equipment exceed OSHA or MSHA requirements?**

OSHA requires employers to provide snow removal for a clear path into and out of a workplace. As is the case, especially in Wyoming with frequent blowing winds, removing snow does not always remove the slippery surface, as ice can be left behind. The salt spreading would help with the icy locations above and beyond a basic snow removal.

**Is this an equipment replacement?** Yes                      No

**Number of employees equipment will affect in performance or job duties:** 1,800

**EQUIPMENT BUDGET**

<b>Equipment Count</b> (Number of pieces of equipment to be purchased)	1
<b>Equipment Cost</b> (Per piece, Provide price quote)	\$7,400.99
<b>Total Equipment Cost</b> (Equipment count x Equipment cost)	\$7,400.99
<b>Business Match</b> (10% of total equipment cost)	\$740.10
<b>Total Amount for Equipment</b> (Not to exceed \$10,000)	\$6,660.89

## **APPLICATION CHECKLIST**

**The following attachments are required unless otherwise noted:**

- Price quotes for equipment
- Equipment description(s) from manufacturer(s)

## **SIGNATURE**

I hereby certify that the information on this application is true and accurate to the best of my knowledge. I am aware that any false information or intended omissions may subject me or my business to civil or criminal penalties for filing false public records and may result in forfeiture or repayment of any award approved through this program.
