Consent Agenda Questions – There were no questions regarding Consent Agenda items.

Review of Administrators Coaching – Dr. Brown reported that he had only received positive feedback regarding administrators coaching. Activity directors Cliff Hill and Tom Seamans reported that their perspective reinforced what Dr. Brown reported.

Some board members were concerned with the concept of administrators coaching. They felt this issue should be reviewed annually, and if the decision is made to move away from administrators coaching, an exit strategy needs to be developed.

Mr. Hill and Mr. Seamans informed the board that they are moving forward with the “Proactive Coaching” program this coming school year. A parent and athlete information night will be held on August 14. Coaches will receive training on August 15.

Summer Meal Options for Students – Bryan Young provided a handout listing summer meal options for students which include a summer food service program at Hillcrest Elementary and Lakeview Elementary. He shared with the board that historically there is a low turnout to receive the summer meals from this program. Suggestions included a possible mobile food unit and inserting flyers in Blessing in a Backpack bags to increase awareness of summer meal options.

The meeting adjourned at 6:22 pm with no action taken by the board.
