Rozet Elementary is requesting permission to go into agreement with All for KIDZ to host their "MindsetMission" assembly. The assembly description is as follows:

"From the moment your students enter the room, our captivating performer takes them on a 45-minute journey filled with humor, yo-yo and magic tricks, puppetry, and storytelling. The assembly introduces a cartoon boy named NED who is on a very important mission: to find his mindset. Led by clues and memorable characters, he overcomes Mt. Everest's toughest obstacles, uncovers inner-treasures on a Caribbean island, and grows his brain while repairing a sputtering spaceship. Throughout the performance, your students discover how to activate their growth mindset to overcome social, emotional and academic challenges."

We feel this parallels well with growth mindset work we have been doing as a staff and school over the last several years. There is no cost to our building as long as we allow opportunity to our public to purchase items from the assembly that support it's message. This will be done by using a table at the school before or after school for parent access.

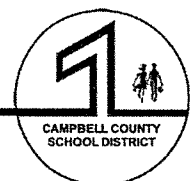

For more information, feel free to visit the MindsetMission website at [mindsetmission.com](http://mindsetmission.com)

Thank you,

Nate Cassidy
