Re: **Award of RFP for Telecommunications Services**

Proposals were received from the following:

| Bidder | Monthly charge per line (Local Access) | Base monthly total for 170 lines |
|-------------|--|----------------------------------|
| CenturyLink | \$20.99 | \$3,568.30 |
| Cytranet | \$12.99 | \$2,208.30 |

Notes: This proposal will be for a 60 month period. Actual monthly charges will vary based on long distance use and any additional features that each location requests.

Cytranet is a cloud based voice service and given the significant investment and condition of existing phone equipment it would not be in the best interest of the District at this time to switch over to this type of service.

Funds: General Fund.

Recommendation: Accept Proposal from CenturyLink.
